This Creator Contract (this “Contract” or this “Creator Contract”), is entered into and made effective as of **October 6th, 2025** (the “Effective Date”), by and between:

(1) **Meta Football League**, a company registered in France under SIRET 92220026600018, located at 9 rue des Colonnes, 75002 Paris, FRANCE represented by Mathurin Blouin (CEO) hereafter known as the “**Customer**” and

(2) **Patricio Agustin Llauradó**, residing at Victoria 181, Adrogué, CP 1846, Buenos Aires, Argentina, hereafter known as the **“Creator”.**

Whereas:

Now therefore, in consideration of the foregoing, and the mutual promises herein contained, the parties hereby agree as follows:

Description of Services

The Creator shall market, promote, and direct potential customers to the products and/or services (the "Services") of the Customer using specific URLs provided by the Customer. The Creator will use its best efforts to actively and effectively advertise, market and promote the Services as widely and aggressively as possible.

Additionally, across Season 9 and 10, the Creator commits to delivering services outlined below:

- 3 Youtube videos per Season, 6 in total
- 1 hour of dedicated MFL streaming content per Season, 2 in total
- 3 Twitter (X) posts about MFL content on a weekly basis
- Creation of a featured MFL channel on the Creator’s Discord with regular interactions

The Creator must at all times incorporate Customer mentions and use its unique Creator tracking link into all publications. All content must be new and unpublished. The Creator further undertakes not to remove these publications from their profiles or social channels for a minimum of one year, barring force majeure or professional activity abandonment. The Creator also agrees to maximum one (1) round of edits and republish within seven (7) days of publishing if the content falls short of the Agreement or adversely affects the Customer's image. Any failure to comply with the above can lead to Agreement breach and impact payments.

Fixed Fee

The Customer shall pay the Creator a fixed fee of **250 USDC per Season** for the duration of this Agreement.

Fixed fee payments shall be made at the end of each Season, within thirty (30) days following receipt of the Creator’s valid invoice. No additional fee shall be payable for any

transactions or activity occurring after the expiration or termination of this Agreement. The fixed fee amount is all-inclusive and covers all services rendered by the Creator under this Agreement.

In the event the Creator is eligible for a partial month of fee (e.g., if the Agreement begins or ends mid-month), the fixed fee shall be prorated based on the number of days in that month. For example, for October 2025, the fee will be calculated as follows:
Minimum Fee for October = (21/31) × 250 USDC = 169.35 USDC.

In addition to the fixed fee, the Creator shall be entitled to a **performance bonus of 100 USDC**, payable at the end of Season 10, **if the Creator successfully generates more than ten (10) valid referrals in aggregate across Season 9 and Season 10**.

Duration of the Contract

This Agreement shall begin on October 6th, 2025, and shall last until December 30th, 2025, inclusive. The Agreement can be extended beyond this period under the same terms upon mutual agreement via email.

Payment Terms and Schedule

The fixed fee will be paid on a monthly basis, within 30 days following the reception of the Creator invoice.

The Parties shall make a good-faith effort to amicably settle by mutual agreement any dispute that may arise between them under this Contract. The foregoing requirement will not preclude either Party from seeking injunctive relief as it deems necessary to protect its own interests. This Contract will be construed and enforced in accordance with the laws of the State of France, excluding its choice of law rules.

Severability

The Parties recognize the uncertainty of the law with respect to certain provisions of this Contract and expressly stipulate that this Contract will be construed in a manner that renders its provisions valid and enforceable to the maximum extent possible under applicable law.

To the extent that any provisions of this Contract are determined by a court of competent jurisdiction to be invalid or unenforceable, such provisions will be deleted from this Contract or modified so as to make them enforceable and the validity and enforceability of the remainder of such provisions and of this Contract will be unaffected.

Independent contractor

Nothing contained in this Contract shall create an employer and employee relationship, a master and servant relationship, or a principal and agent relationship between Creator and Customer. Customer and Creator agree that Creator is, and at all times during this Contract shall remain, an independent contractor.

Force majeure

Neither Party shall be liable for any failure to perform under this Contract when such failure is due to causes beyond that Party's reasonable control, including, but not limited to, acts of state or governmental authorities, acts of terrorism, natural catastrophe, fire, storm, flood, earthquakes, accident, and prolonged shortage of energy.

In the event of such delay the date of delivery or time for completion will be extended by a period of time reasonably necessary by both Creator and Customer. If the delay remains in effect for a period in excess of thirty days, Customer may terminate this Contract immediately upon written notice to Creator.

Entire contract

This document and all attached or incorporated documents contains the entire agreement between the Parties and supersedes any previous understanding, commitments or agreements, oral or written. Further, this Contract may not be modified, changed, or otherwise altered in any respect except by a written agreement signed by both Parties.
